I've already left for my off-site meetings today but it occurred to me to make sure all three of us have the versions of the documents that Chris was reviewing. See attached. These are the same documents that I previously sent you both but this email will put them on top of your inbox.

Thanks,
Jim

Chris,

I have attached the latest versions of your testimony, the Committees questions and our responses and a separate set of Qs and As (internal only) on relevant topics. These documents have been reviewed and edited/commented on by OGC, OECA and OTAQ.

Let me know if you have any comments/edits. The Committee has asked that we send their Qs/As and your testimony by the end of next week. Since I'm starting my trip on Friday I would like to send these documents to Nora by next Thursday.

Thanks,
Jim
